

NT-2C-03

1. Suitable for multi type module installation, application in the work area routing subsystem.
2. The embedded surface box, installation, convenient disassembly with protective door, dust;; according to customer requirements can be printed LOGO.
3. Application of optical fiber with SC / LC simplex, duplex different environment bright dress, flush plate. A combination of all the modules can be according to customer selection and configuration.
4. All modules are free welding mode.

Product Parameters

A*B*C (mm) appearance dimension	82.4*105.4*22.5
Max Capacity	SC 2/LC 4
Application	3.0 x 2.0 mm indoor cable
Fiber diameter	125μm (652 & 657)
Tight cladding diameter	250μm & 900μm
Mode of application	Single mode and multimode
Tensile strength	>50 N
Temperature	-40 ~ +85°C
Adapter	SC & LC
output port	2

Configuration
