

NT-2C-02

Model No. NT-2C-02 is a kind of end-user product to realize FTTH solutions, applying for home or work area to complete fiber access and port output, meanwhile, protecting the fiber core.

Product Parameters

Model No.	NT-2C-02
Color	White
Capacity	SC 2 ports / LC 4 ports
Material	PC+ABS, ABS,PC
Dimension(L*W*D,MM)	102*80*25
Flame retardant performance	Non-flame retardant
Mounting Way	Wall Mounting
Weight/KG	0.1
Operating temperature	-40°C~+85°C

Configuration
